- First of all, walk out of Mile End tube. You are facing north.

Outside the tube

- This is what you should see if you look west, to the left.

Looking west (LEFT) from tube

- Cross the street to this building.

Across the street from tube

- Turn to your left, you are facing west.

West towards Mile End

- Get to this corner. Cross this big road towards the west, towards the suspended yellow bridge. It's called the "Green Bridge".

Crossing towards Green Bridge

- Continue towards the west. Walk past the "Green Bridge".

Green Bridge

- Walk past this church.

Church

- Walk past this pub, the New Globe.

The New Globe

- Walk over the little bridge. This bus stop is on the bridge.

Bus stop on Canal Bridge

- The bridge goes over this canal.

Looking north over Canal Bridge

- Walk past Queen Mary's east gate.

Eastgate, looking West

- If you look north, to your right, you should see the student village **[for those with campus accommodation they can follow this route to go to France House reception]**

Eastgate

- Walk past the Arts building.

Arts Building

- Walk past the School of Law.

School of Law

- You should be near the Queen Mary library.

Near QM Library, looking West

- Walk past Barclay's bank.

Near Barclay's, looking North (to your right)

- In this direction, continue straightforward to the West.

Near Barclay's, looking West

- Continue Straight on past the Queen's building.

Queen's building

Finally:

- Here is the Engineering building where the METAMATERIAL School takes place.
 - 2nd floor, room 209
- In the 2nd photo below is a Google map showing (in dotted blue squares) the Mile End station and the destination.
 - It is a 7-8 minute walk overall
